

William took his first steps in Scouting at the age of 9 as a Webelos in Cub Scout Pack 415. He bridged to Troop 566, serving as Grubmaster in the Foxes Patrol. He has also served as Patrol Leader, Den Chief and Quartermaster while in the Troop.

For his service project, William constructed a much-needed information kiosk at McClellan Ranch Park in Cupertino. He built the kiosk to specifications given by the City of Cupertino's naturalist, Barbara Banfield.

William is a freshman at Woodside Priory High School where he plays soccer. He is also a member of the youth program at the Presbyterian Church of Sunnyvale. In his spare time, he maintains and sails the Jolly Roger as a member of the Sea Scout Ship 161, based in Redwood City.

William hopes to attend the Air Force Academy in Colorado Springs where he would like to serve his country as a pilot in the Air Force.
